The *NTA* was formed in 1992 and currently represents over 4900 tutors and tutorial administrators across the United States and internationally. Members represent colleges, universities, high schools, middle schools, elementary schools, school districts, literacy programs, community programs, grant supported programs, and *NCLB/SES* providers. We welcome membership from peer, paraprofessional, professional, volunteer, and private practice tutors. The *NTA* is a proud member of the *American Council of Developmental Education Associations (ACDEA)*.

of Math and English

Stung by knowledge

BRILLIANCE ACADEMY OF MATH AND ENGLISH WILL:

- guide and assist the youth of today in the adventures of learning.
- provide personalized individual attention.
- offer a "learning conducive" environment.
- provide great educators.

Brilliance Academy has been awarded the "Program of the Year" award for 2006 and 2007 by the National Tutoring Association.

Encouragement, support and knowledge are the ingredients to our recipe when working with our students.

We look forward to your child attending the Brilliance Academy of Math and English.

READ WHAT SCHOOLS ARE SAYING ABOUT OUR AFTER-SCHOOL PROGRAM

"The students really enjoyed the activities and lessons they learned. We hope to see you back next year."

– SES Coordinator, Christopher Elementary School

"Brilliance Academy was a wonderful addition to our after-school tutorial program."

– Principal, Jackie R. Robinson Academy

"My grade went from a C to an A on my 2nd quarter report card."

– 7th Grader, Corkery Elementary

HOW WE GET RESULTS

The Brilliance Academy of Math and English *instills confidence and a positive attitude* in students by providing support and reinforcement. The root causes of academic frustrations is what we look for when working with the student. Using the results of a Basic Assessment Skills test, we create a personalized curriculum that addresses and eliminates underlying issues. *Through positive reinforcement and individual attention, we ensure that each student achieves success.*
